

LINKED PERSONALITY ASSESSMENT (LPA)

What is it?

- A comprehensive online personality assessment tool, which assesses 6 core personality areas, and 29 sub-dimensions
- 6 core areas include:
 - Team Roles
 - Work Styles
 - Personality
 - Learning Styles
 - Conflict Handling
 - Managerial Style

The LPA will be beneficial when you need to:

- Understand your management culture
- Improve management and executive selection
- Determine the reasons why management teams may be succeeding or failing
- Identify talent for promotion and succession purposes
- Promote effective career development
- Perform talent analytics on teams, departments or your organisation as a whole

Outputs of the LPA:

- Mandatory feedback to place results in context using the onscreen 'feedback wizard'
- Multiple reporting options:
 - Capsule Summary
 - Broad Picture
 - Summary Reports
 - Development Reports
 - Team Reports
 - Person-Job Fit
- Powerful management utilities to enable the user to take full control of the assessment data and to apply it to real-world management issues.

For more information on the LPA or a free consultation please contact enquiries@edacen.com or call 011 4502434.

LPA PRACTITIONER ACCREDITATION TRAINING

LPA Practitioner Accreditation training is offered as an in-house course.

More information on dates and prices can be sourced by contacting EDAC on enquiries@edacen.com.

Potential practitioners must meet training requirements and need to be accredited and licensed to practice within organisations.

Competence and standards are continuously and rigorously monitored.
